Answering business phone script

Responsibilities

- Client Responsibilities:**
 - Provide information about products & services, hours of operation, business rules, campaign & skill set requirements, necessary training & campaign documents
 - Agree on terms & conditions and sign the contract
 - Provide information on campaign start date
 - Provide script if available
 - Provide training to InSO project manager & perform other necessary steps required to start the campaign
 - Provide on-going training, support and feedback to InSO
- Our Responsibilities:**
 - Gather information about the campaign from Client
 - Agree on terms & conditions and sign the contract
 - Gather reporting requirements from Client
 - Prepare campaign script if required
 - Get client sign-off on the prepared documents
 - Provide documents to trainer for training staff members
 - Configure work stations & reporting system for the campaign
 - Test trained staff & systems to ensure proper service
 - Go-Live
 - Provide daily reports to the Client - InSO - Proprietary
 - Provide live call wave files to the Client if necessary

The Objection

- Why don't you just mail it? (Gotcha)
- "Well, Paul I tried that once before, you didn't get it and I wouldn't want that to happen again." Either or Close (Double Bind)

Now you can say "Call or Text Us"

303-442-3223

on all your business phone numbers.
